

San Francisco VOAD

What is SF VOAD & What Do We Do?

VOAD stands for 'Volunteer Organizations Active in Disaster'. The SF VOAD is a coalition of nonprofit and faith-based organizations working together to build better cooperation in times of disaster. We serve the residents of San Francisco and focus on community **recovery** efforts in partnership with local government agencies.

We operate under the umbrella of the National VOAD and are guided by the core principles of the 4Cs – cooperation, communication, coordination and collaboration – to build strong resilient communities and deliver hope in times of need.

Why Become a Member?

1. It is free
2. There are no obligations
3. Receive relevant and up to date information about preparedness, response and recovery efforts in San Francisco
4. Contact with other nonprofit and faith based organizations throughout the city
5. It is an avenue to reach out for help when your organization or congregation experiences and emergency
6. It is an avenue to provide support to fellow organizations or congregations when they are in need
