

# San Francisco Interfaith Council

**OUR MISSION:** History teaches us that many of the world's conflicts are rooted in religious strife. Founded in 1988, the San Francisco Interfaith Council (SFIC) seeks to counter this historical trend by celebrating our diverse faiths and spiritual traditions, bringing people together to build understanding, and serving our community.

**WHO WE SERVE:** We count as our constituents the 800 congregations in the City of San Francisco, their respective judicatories, sectarian educational and healthcare institutions, and the faith-based social service agencies that provide the social safety net for our most vulnerable residents.

**OUR WORK:** During this time of social change in San Francisco, civic leaders and the public view the SFIC as the "go-to" organization for mobilizing our City's religious communities. Congregations and faith-based agencies turn to us for resources, referral and representation. Our robust relationships and communications network allow the SFIC to bring together and mobilize San Francisco's faith-based community to create an effective, combined force for service and issues of public policy, so that we may accomplish together what no single congregation can alone.
