Please do not let us get away in this life and forget:

Show us the real blessings in our life that you let us have forever today.

For your past and future sins,

Jesus Christ washed our sins away.

God of mercy, we have asked to see your presence, to acknowledge in you, we have your grace of mercy.

Dear God, bless those who are in need of your blessings as we are blessed today.

O God, we know to whom we are giving our food today.

Especially for friends whom we are sharing our food today.

O God, we thank you for the countless blessings that you have bestowed upon us.
